About the Iowa Chapter of the American Academy of Pediatrics

The American Academy of Pediatrics is an organization of 60,000 primary care pediatricians, pediatric medical subspecialists and pediatric surgical specialists dedicated to the health, safety and well-being of infants, children, adolescents and young adults. The Iowa Chapter represents nearly 400 Iowa-based pediatricians and pediatric health care providers. Iowa AAP supports positive changes in children's healthcare through community education, communication and legislative advocacy. The Chapter believes all children from infancy to young adulthood should attain their full potential for physical, mental, emotional and social health.
