

Did you know?

Pregnant people who spend a lot of time with young kids are more likely to get CMV and pass it on to their babies.

This project is supported by the Centers for Disease Control and Prevention (CDC) of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$350,000 with 100 percent funded by CDC/HHS. Contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by the American Academy of Pediatrics, CDC/HHS, or the U.S. Government.
